

THE CHINESE CRESTED CLUB OF GREAT BRITAIN RESCUE

The Club has taken the decision to form its own rescue. In order for us to do this we need the help and support of our Club members.

We appreciate that many of us lead busy lives but most of us find the time to breed and show in our effort to improve the breed. As breeders, exhibitors and Dog lovers, we feel that we should all be doing our bit for those less fortunate dogs that desperately need our help. We all try to find the right homes for our puppies but sadly sometimes they slip through the net. There can be lots of reasons why a dog can come into rescue and the Club would like to help those dogs find the loving homes they deserve.

We are asking for volunteers to assist us in any way they can. The more volunteers we have, the more dogs we can help. We are sending out this information to all of our members asking for assistance. It is a very simple form where you can tick a box of your choice or choices in which area you are able to assist in. If you can help in any way then please take the time to fill in the form and hand it or send it to the Welfare Coordinator. Not everyone will be able to assist in all aspects of rescue but we are sure that everyone can play a part. Whether it be fostering, transporting dogs, doing a home check or dog assessment, fundraising or by simply making donations for raffle prizes.

We will also welcome the assistance of non-club members providing that a club member can vouch for them.

There will be an area added the Clubs new web site giving more information on how the rescue will be run.

Please support your breed.
